Learning the ropes

This photograph of some of the boys of the 'Arethusa' shows their eagerness to learn. Like all the boys and girls in our care, they are encouraged and helped to do their best in whatever career they take up. The education and training we give is intended to create responsible and self-respecting citizens, who will be an asset to the country. It is an inspiring task; but in these days of rising costs, an anxious one. Neither subsidised nor nationalised, we need constant donations to meet our commitments to children who, without such aid as we can give them would have nowhere to turn for help and care.

Any aid you can give in bringing the claims of this Society to the notice of intending benefactors would be appreciated.

BY WILL OR CODICIL OR COVENANT

MAY WE SUGGEST to Legal or Financial Advisers that when questions of their clients' benefactions arise the worthiness of the Royal Air Force Benevolent Fund may be wholeheartedly and deservedly commended.

Briefly, The Royal Air Force Benevolent Fund provides help to R.A.F. personnel disabled while flying or during other service. It assists the widows and dependants of those who lose their lives and helps with such vital issues as housing and the children's education. It gives practical assistance to those suffering on account of sickness and general distress.

The need for help in nowise lessons in peace or war. Our immeasurable gratitude to that "Immortal Few" can hardly cease while memory itself endures.

THE ROYAL AIR FORCE BENEVOLENT FUND

More detailed information will be gladly sent by the Hon. Treasurer,
R.A.F. Benevolent Fund, 67 Portland Place,
London, W.1. Telephone: Langham 8343.

A MOST WORTHY CAUSE

The HOMES OF ST. BARNABAS provide in lovely country a really happy and secure old age to some 40 retired Anglican Clergy. Each has his comfortable quarters and full use of the fine library and common rooms. There are two Chapels where those who are able conduct the Services. There is an infirmary wing under a S.R.N.

Each resident pays what he can but that is insufficient. Please help to fill the gap by:

A message from Dr. Donald Soper

"... what a marvellous blessing homes like these can be ..."

There surely could be no kindlier service that all of us can help to render than to help old people to enjoy security and comfort. Nowadays there is no more imperative task than this, especially as so many more people are living on into old age than ever before. Methodism has a great and honourable tradition in loving and enlightened social service. For more than twenty years homes for the aged have been opened and have been filled until now there are more than twenty of these homes, and more than six hundred old people living happily and comfortably in them. Of all the ministries that must become the "reasonable service" of the Christian there is none more necessary and urgent than the care of our old people, and I know from nearly forty years' experience how pressing and profound are their problems, and what a marvellous blessing homes like these can be in taking those problems away. I am sure that I can appeal, as I do, to everybody whether they are professing Christians or not, to support The Methodist Homes for the Aged. The response has always been generous. Gifts and legacies have made this growing enterprise possible, but more gifts and more legacies are almost daily required if this work is to be maintained and developed. I am sure that you want to help—please do. Please send your gift and help to make sure that old and lonely people can have rest and security at eventide.

Mental and nervous breakdown —more cases!

New cases are constantly coming to light from both world wars. Many are being treated successfully at the short-stay residential home of the Ex-Services Mental Welfare Society. Peaceful surroundings, comprehensive psychiatric treatment and rewarding occupational therapy combine to give them back confidence and self-respect. Once again they can take their place as useful working members of society. For those with recurring nervous or mental disorders, we can offer secure full time employment at our Thermega Electric Blanket Factory. Here they

can live in our Hostel or with their families in our Cottage Homes, with skilled psychiatric help always available. In our Old People's Home, war veterans can end their days in comfort and dignity. The Ex-Services Mental Welfare Society is the only specialist voluntary organization in this field. Will you help us to raise the £100,000 required annually? Please bring the Society to your clients' notice whenever appropriate. And, most important, if you know of a case whom we could help, please put them in touch with us. Full literature is available.

WHERE DO THEY GO FROM HERE?

The Methodist Ministers' Housing Society has been set up to deal with the crucial problem of providing accommodation for retired Methodist Ministers at rents which they can afford. The Society now owns over one hundred and thirty dwellings, thanks to a considerable extent to generous assistance from legacies. Please bring the needs of this Society to the attention of your clients. Many more houses, flats and bungalows are required to meet the demand. Gifts of property and money by legacy are most appreciated.

The following is suggested as a convenient form of bequest:
"I bequeath to the Methodist Ministers' Housing Society Ltd., 1 Central Buildings, Westminster, London, S.W.1, for the general purposes of the said Society the sum of £ _____ free from duty, or my freehold/leasehold residence known as _____ absolutely."

'christian action gets things done!'

.... A London vicar's summing up of Christian Action

Christian Action has the reputation for swift, effective action on matters that challenge the Christian conscience—racial intolerance, for example, or slum housing. Far from believing that 'religion and politics don't mix', Christian Action believes that it is impossible to profess the Christian faith and not be involved deeply in political issues and public life.

A fellowship of Christians and of all who respect the teachings of Jesus, Christian Action is supported by people of all denominations and political affiliations, and of none. It has established the *Defence and Aid Fund* to aid victims of racial intolerance in South Africa and, more recently, the *Homeless in Britain Fund*, to assist those worst affected by Britain's current housing shortage. Legacies, Bequests and Deeds of Covenant are urgently required, and can be earmarked for particular purposes. Please help to bring our needs to the notice of your clients.

Christian Action is registered as a Charity under the Act of 1960. Registration No. 212862.

SOW A WORD . . . and reap this harvest

When you speak of the Y.W.C.A. as a cause which really deserves support, you earn gratitude. From those you speak to, from the Y.W.C.A. and from the whole community.

This great voluntary organization urgently needs funds to expand the work it has been doing for 100 years—donations, subscriptions or legacies. Thousands of girls find cheerful homes in Y.W.C.A. hostels and Christian friendship in Y.W.C.A. clubs. More hostels and clubs are needed at home and abroad. A word from you now can mean a rich harvest of human well being in years to come.

THE FERN STREET SETTLEMENT DEVONS ROAD, BOW, LONDON, E.3

Founder: CLARA E. GRANT, O.B.E.

Fern Street Settlement was founded in 1905 in continuation of a personal effort begun in 1900 on behalf of a school in which the then Warden (the late Clara E. Grant) was headmistress.

The activities aim at meeting the needs of the individual or small group in such a way as to complement the work of the Statutory Authorities. They include the provision of club facilities, home visiting, coach excursions and material help for all retired persons within the Bow Common Area.

Jumble sales are held regularly and the Settlement is well known for its famous Farthing Bundles which contain children's toys.

Enquiries are being made into the social needs of all age groups with a view to providing suitable handicraft and workshop facilities.

The Settlement is dependant upon voluntary contributions and gifts of any kind, Donations, Legacies, Subscriptions, etc. will be gratefully received.

Booklets describing these activities will be sent on request.

Management by Executive Council, Committee and Warden.

Kenneth Glantz (Acting Warden)

YOU CAN STOP

A CHILD BEING UNHAPPY

Ignorance, neglect and stupidity are still the cause of much distress amongst young and helpless children. Their unhappiness can often be stopped by the intervention of the National Society for The Prevention of Cruelty to Children. But the NSPCC is not a government department which you can take for granted, it is a private organization which relies entirely on legacies and donations in order to continue its work. Through the NSPCC you can contribute to the happiness and welfare of children all over the country. Please send your donation to the NSPCC today. Cheques, Postal Orders and Bankers Orders should be sent to:

THE RAINER FOUNDATION

formerly the London Police Court Mission,
was the pioneer of the probation system.
It is a voluntary organisation and under the
patronage of H.R.H. the Duke of Edinburgh,
K.G., its pioneer activities, now on a national
scale, include **adventure course
training for young offenders, new hos-
tels and a special home for schoolgirl

Royal Normal College for the Blind

(formerly at Upper Norwood, S.E.19)

Albrighton Hall, Broad Oak,
Shrewsbury and Rowton Castle,
Near Shrewsbury

THE College provides education
and vocational training in music,
piano tuning and shorthand-typewrit-
ing for one hundred and sixty boys
and girls, the majority of whom
become self-supporting citizens. It
thus makes a definite contribution to
national economy in effecting the
complete rehabilitation of many dis-
abled persons.

Voluntary effort was responsible
for the foundation of the College and
has continued to play an important
part in its life. The College has used
its own funds freely for the welfare
of blind persons, and the replenish-
ment of these funds is necessary to
enable it to continue to help its
students in ways additional to those
provided by Public Authorities, and
to maintain the speed and flexibility
of action which are advantages of a
voluntary service.

Persons considering suitable objects
for charitable bequests are begged to
apply to the Secretary for full
particulars.
